## **The Flamingo Liquor Store**

### **Delivery Account FAQ**

#### **Why is the Flamingo Liquor Delivery Program different from other delivery programs?**

Our liquor delivery program is scheduled. When you place an order we will determine the best time to deliver it to you.

This sustainable program is ongoing, based on consumer products that are purchased on a regular basis by many people and can benefit the SBOT for years. There is no deadline to how long this program can run.

#### **How do I set up an account?**

Provide Account Delivery Information by completing the above form or calling 604-817-1526.

#### **Can I advertise this to my network and order for a group?**

Yes please! The more the merrier. All we ask is that you are the central coordinator for your group or business so we can do one drop off.

#### **Is there a minimum order requirement?**

The minimum order requirement for complimentary delivery within 5km of the store is \$200. If you are outside this zone delivery charges will be incurred, and we will confirm those at your time of order.

#### **I like to browse when choosing my liquor...**

We are tied to the BC Liquor Branch – you can browse a full selection of items here <http://www.bcliquorstores.com/> Search “find a product” and start browsing!

#### **When does my credit card get charged?**

When the order is received in our store.

The order will be processed and the credit card charged when it is received in our store. A receipt with all order details will be provided when the order is processed.

Anyone placing an order will have the option of picking up at our retail location at 10768 King George Boulevard in Surrey or we will deliver (\$15 flat delivery fee)

#### **Which items are available for ordering?**

There are no restrictions. As long as the item is in stock we can order it for you. Wine, beer, spirits, coolers, ciders...it is all available.

#### **Is there a minimum order required?**

We require a minimum of \$200 in order to provide complimentary delivery.

**What happens if an item I order is not in stock?**

You are not charged for items that are not in stock.

**Do you accept empty returns?**

No.

**Is there a charge for delivery?**

There is a flat \$15 fee for each order delivered within a 5km radius of our store. This is waived for orders over \$200. Fees will vary based on location outside of this area. If you phone in and charge one card for several orders that counts as one delivery.
