

BENGALURU TECH SUMMIT - BENGALURU, INDIA

The State Government of Karnataka and Department of Information Technology Development and Biotechnology is organising the **22nd edition of the Bengaluru Tech Summit from 18th to 20th November 2019 at the Bengaluru Palace**. This event leverages on the fact that **80% of global IT companies** have based their India operations and R&D centres in Bengaluru.

Bengaluru is the **fourth largest technology cluster** in the world after Silicon Valley, Boston, and London. Bengaluru has the highest number of R&D centres in India, 47 IT/ITES Special Economic Zones have a presence in Karnataka with dedicated IT investment regions. Karnataka is **India's largest** software exporter and the city is an aerospace hub and the start-up capital of India.

GOVERNMENT OF CANADA AT THE SUMMIT

The Government of Canada has confirmed participation as a **Global Innovation Alliance Partner** and will have a large pavilion at the Bengaluru Tech Summit including a Canadian Keynote speaker (TBC). Invest in Canada will be promoting Canadian capabilities in the field of Information and communications technology for FDI, Trade and R&D. Focused to position **Canada as a world-leading Foreign Direct Investment destination** as part of the [Invest in Canada FDI attraction events](#).

WHY EXHIBIT

As the **Karnataka Government's flagship annual innovation event**, leaders from India's IT and Innovation ecosystem will attend as either speakers, exhibitors or participants. Exhibitors will gain **privileged access** to key Global Players in India, Multi-national Corporations and Start-ups looking to expand into global markets.

- Network at the **Bengaluru Tech Summit**, with an expected 11,000+ visitors, 11+ countries, 50+ sessions, 200+ speakers, 200+ start-ups, and 250+ exhibitors.
 - Take advantage of **the Invest in Canada branding**, with potential wider participation from the Provinces and Tech Partners.
 - Participate in planned **roundtable events with leading industry associations** and their members, organised by the Trade Commissioner Service.
 - Access support from on-the-ground **Trade Commissioners**, who can provide Canadian businesses with **market intelligence**, and **B2B opportunities**.
-

COST AND INCLUSIONS

Cost for exhibiting is five thousand [5000] CAD, charged on a cost-recovery basis only. This would include a **six square-metre exhibitor space** within the Canada pavilion and **two all-access delegate passes** to the Summit. Exhibitors will bear costs of flights, accommodation and meals. Learn more about **the CanExport funding programme** that may be available to participating companies.

DEADLINE

Confirm your participation **before Friday, August 30, 2019**.
