

A wide-angle photograph of the Machupicchu archaeological site in Peru. The foreground shows the stone-walled terraces and ruins of the city, built on a steep mountain slope. In the background, jagged mountain peaks rise above a layer of white clouds under a blue sky. The overall scene is a mix of ancient stone architecture and natural mountain beauty.

CAMP WE EMPOWER

Climate Change Challenge

CAMP WE EMPOWER

The Spark
The Flame

EMPOWERMENT

- 1000 Grade K-12 students including teachers, empowered through: our Mini workshops, Mega Series Camps, and volunteer opportunities
 - 120,000 volunteer hours given
 - 5th anniversary celebrated

CLIMATE CHANGE CHALLENGE

The Challenge

- Creating and implementing a climate change action plan
- Presenting your idea to the Mayor and Council
- Exploring city hall on a guided tour
- Discussing what's important to you with our local MPs
- 3 selected groups will present their project during our celebration night

The Challenge Timeline

- Dec. 9-13th
week sustainability presentation,
tour, dinner and then project
pitches (5-9pm) or Saturday 10am-
2pm
- Dec. 16th present to mayor and
council (TOP 3)
