

WorkBC Assistive Technology Services

Assistive Technology Services provides equipment and devices to help individuals thrive in the workplace.

Supports available through Assistive Technology Services include:

- Assistive devices, equipment and technology
- Ergonomic supports (e.g. ergonomic furniture, lighting systems)
- Restorative supports (e.g. canes, crutches)
- Attendant services related to work (e.g. assistance with mobility or personal hygiene at work)
- American Sign Language (ASL) interpreting and captioning services
- Communication and hearing devices related to work
- Workplace access and modification
- Vehicle modifications

Assistive Technology Services are available to individuals who have a work-related barrier due to a disability or a functional limitation. This may include barriers related to traveling to and from the workplace.
