Re: Some Personal News

Dear Members and Stakeholders,

I have informed the Surrey Board of Trade Directors and my amazing staff that, after 31 years of dedicated service to the Surrey Board of Trade in a variety of positions, including 18 years as President & CEO, I have decided that the time has come for me to step down and focus on the next chapter of my life.

It has been an honour and a privilege to be part of this esteemed city-building organization. I am incredibly proud of the leadership-oriented work my staff and I have accomplished over the past three decades to support and advocate for the business community. The Surrey Board of Trade is near and dear to my heart, and I will forever be grateful for the opportunity to contribute to its growth and success, as well as to the prosperity of Surrey, British Columbia, and Canada. I have loved my time at the Surrey Board of Trade, and I will miss my role here. It's hard to think of a greater privilege than to serve my city, province and country all at the same time while leading such an outstanding team.

The organization is strong – from all perspectives and angles. The legacy that I am leaving will live on through the Surrey Board of Trade's fiscal assets, service portfolios, government advocacy, brand profile and so much more.

The next President and CEO will ensure that our organization remains strong to elevate the spirit of entrepreneurialism.

Until my last day on August 30, 2024, I remain committed to serving our organization and Surrey. I will always believe that Surrey is an Opportunity City!

Stay tuned for a farewell celebration in August – and yes there will be music because Surrey is a music city destination!

Sincerely,
